THE WORLD'S FINEST FLOOR CLOCK

Beautifully finished on all sides, the features of these contemporary clocks create a stunning view from any angle.

The high-gloss finish paired with polished stainless steel chrome accents comprise this stunning clock. Tempered glass panels in the top of the clock and on sides allow in additional light to brighten the interior.

Fully finished back panel and top of clock.

The case is illuminated with an energy efficient LED light strip which is dimmable to three settings.

Kieninger cable-driven, triple melody, nine-tubular chime movement is highly polished, chrome plated and features 36 bushings.

1/4" thick tempered glass door features a sophisticated chrome finished pull.

Polished chrome-finished, grid pendulum and weight shells.

Nine highly polished chrome tubes help provide the clock with beautiful melody and sound.
